VENACE INTELLIGENT TECHNOLOGY INC.

VENACE INTELLIGENT TECHNOLOGY INC., founded in March 2011, is located in the heartland of China's economic development - Guangzhou Huangpu Science City, which is in the Pearl River Delta region, the most developed manufacturing industry chain in China. We specialize in height adjustable desks, ironing boards, laundry storage products, and cabinet hardware. We have a perfect R&D system, automatic production line and a perfect quality control system. Our team of industrial designers and engineers are always committed to innovating products to be more practical with better quality.

We have always advocated to seek out a style and character that matches our own rather than compare or follow blindly. We focus on product development, perfect supply chain management, whole process cost control and quality control to allow our customers to benefit from the philosophy of "Better Life, Better Price".

After years of development, Venace has grown into a professional household products manufacturer that integrates product development, production, sales and service after several years. At present, we have more than 150 patents, 8 trademarks and 8 copyrights. As a high-tech enterprise in Guangzhou, we have obtained the Guangzhou Innovation Fund and Guangdong Science and Technology Enterprise Innovation Fund. Now, Venace has customers and partners worldwide. Our team is expanding day by day. We support OEM/ODM. We hope to establish a long-term win-win relationship and bring value to you with our professionalism and cost-effective products.

Our Vision: To be the most competitive household products manufacturer.

Our Values:

1. Better Life, Better Price: we have always advocated to seek out a style and character that matches our own rather than compare or follow blindly.
2. Efficient Operation: improve product cost performance through cost and quality control; reduce marketing costs through digital content marketing; get price advantages to benefit our customers;
3. Employee Value: provide employees with a healthy life and happy work through employee wellness care, growth care and value return; integrate employees' pursuit of a bright future and happy life into the company's development; realize the overall value of employees and shareholders.

Our Culture: Integrity, Responsibility, Pragmatism, Excellence.

Wall Mounted Ironing Board

33.35.30100200

Product Description

- Wall Mounting, Easy Installation;
- Double Folding Structure, Saving Space;
- Flexible 180° horizontal rotation design, can be rotated and locked at any angle;
- Removable and Washable Heat-resistant/Flame-retardant Cotton Cover(Optional);

Wall Mounted Ironing Board

Specification

Style	Folding
Swivel Angle	180 degrees
Material	Frame: Iron Cover: Heat-resistant / Flame-retardant cotton
Color	Frame: White powder-coated Cover: Gray stripes
Weight capacity	(22-33)lbs / (10-15)kg

Product Size	L37-2/5" * W11-4/5" * H7-3/10" L950 * W300 * H185mm (unfold)
Net Weight	18.19lbs / 8.25kg
Board Length	37-2/5"(950 mm) when opened
Packing Size	L21-1/4" * W13-1/2" * H6" L540 * W345 * H150mm
Gross Weight	19.62lbs / 8.9 kg
